REPORTING CHANGES TO THE IRS

You must report changes in your name, address, purposes, operations or sources of financial support on your annual information return. You may also report these changes to the TE/GE Exempt Organizations Determinations Office at the following address: Internal Revenue Service, P.O. Box 2508, Cincinnati, OH 45201. However, such reporting does not relieve you of the obligation to report the changes on your annual return.

TIP: Attach copies of any state certified articles of incorporation, or if an association signed constitution, bylaws, or other organizational document showing the changes. Trusts should provide trust instruments. If state certified copies or signed governing documents are not available, an authorized officer may certify that the governing document provided is a complete and accurate copy of the original document.

Please use your employer identification number on all returns and in all correspondence with the Internal Revenue Service.

FILING REQUIREMENTS

In your exemption letter, we indicated whether you must file Form 990, Return of Organization Exempt From Income Tax. If your exemption letter states that you are not required to file Form 990, you are exempt from these requirements. Otherwise, if your gross receipts are normally more than \$25,000, you must file Form 990 or Form 990-EZ with the Ogden Submission Processing Center, Ogden, UT, 84201-0027.

You are eligible to file Form 990-EZ if your gross receipts are normally between \$25,000 and \$100,000, and your total assets are less than \$250,000. You must file the complete Form 990 if your gross receipts are over \$100,000, or your total assets are over \$250,000. The Form 990 instructions show how to compute your "normal" receipts.

AMERICAN FUTURE FUND

Organizations With Gross Receipts of \$25,000 or Less

For tax periods beginning after December 31, 2006, you must file an annual electronic Form 990-N ("e-Postcard") if your gross receipts are normally \$25,000 or less. Alternatively, you may file a complete Form 990 Package if we send one to you. For information on filing the new electronic Form 990-N ("e-Postcard"), visit our Web site at www.irs.gov/eo.

Due Date of Return or Annual Electronic Notice

Your return or annual electronic notice is due by the 15th day of the fifth month after the end of your annual accounting period. There are penalties for failing to file a complete return timely. For additional information on penalties, see the Form 990 instructions or call our toll free number.

Revocation of Tax-Exempt Status

For tax periods beginning after December 31, 2006, your tax-exempt status will be revoked as of the filing due date for the third year if you fail to file for three consecutive years Form 990, Form 990-EZ, or the electronic Form 990-N.

If your tax-exempt status is revoked because you failed to file, you must reapply for exemption and pay the appropriate user fee.

UNRELATED BUSINESS INCOME TAX RETURN

If you receive more than \$1,000 annually in gross receipts from a regular trade or business, you may be subject to Unrelated Business Income Tax and required to file Form 990-T, Exempt Organization Business Income Tax Return. Special rules for organizations exempt under sections 501(c)(7), (9), (17) and (19) are described in Publication 598, Tax on Unrelated Business Income of Exempt Organizations.

There are several exceptions to the tax on unrelated business income:

1. Income you receive from the performance of your exempt activity,
2. Income from fundraisers conducted by volunteer workers, or where donated merchandise is sold, and
3. Income from routine investments such as certificates of deposits, savings accounts, or stock dividends.

There are special rules for income derived from real estate or other investments purchased with borrowed funds. This income is called "debt financed" income. For additional information regarding unrelated business income tax, see Publication 598, Tax on Unrelated Business Income of Exempt Organizations, or call our toll free number shown above.

PUBLIC INSPECTION OF APPLICATION AND INFORMATION RETURN

AMERICAN FUTURE FUND

You are required to make your annual information return, Form 990 or Form 990-EZ, available for public inspection for three years after the later of the due date of the return, or the date the return is filed. You are also required to make available for public inspection your exemption application, any supporting documents, and your exemption letter. You must also provide copies of these documents to any individual, upon written or in person request, without charge other than reasonable fees for copying and postage.

You may fulfill this requirement by placing these documents on the Internet. Penalties may be imposed for failure to comply with these requirements. Additional information is available in Publication 557, Tax-Exempt Status for Your Organization, or call our toll free number shown above.

EXCESS BENEFIT TRANSACTIONS (Applies to 501(c)(4) organizations)

Excess benefit transactions are governed by section 4958 of the Code. Excess benefit transactions involve situations where a section 501(c)(4) organization provides an unreasonable benefit to a person who is in a position to exercise substantial influence over the organization's affairs. If you believe there may be an excess benefit transaction in which you are involved, you should report the transaction on Form 990 or Form 990-EZ. For information on how to correct and report this transaction, see the instructions for Form 990 and Form 990-EZ, or call our toll free number shown above.

EMPLOYMENT TAXES

If you have employees, you are subject to income tax withholding and the social security taxes imposed under the Federal Insurance Contribution Act (FICA). You are required to withhold Federal income tax from your employee's wages and you are required to pay FICA on each employee who is paid more than \$100 in wages during a calendar year. To know how much income tax to withhold, you should have a Form W-4, Employee's Withholding Allowance Certificate, on file for each employee.

You are also liable for tax under the Federal Unemployment Tax (FUTA) for each employee you pay \$50 or more during a calendar quarter if, during the current or preceding calendar year, you had one or more employees at any time in each of 20 calendar weeks or you paid wages of \$1,500 or more in any calendar quarter.

Employment taxes are reported on Form 941, Employer's Quarterly Federal Tax Return. The requirements for withholding, depositing, reporting and paying employment taxes are explained in Circular E, Employer's Tax Guide, (Publication 15), and Employer's Supplemental Tax Guide, (Publication 15-A). These publications explain your tax responsibilities as an employer.

In conformity with the above determination it shall make its decision as to whether to enter into the transaction or arrangement.

Dear Sir or Madam:

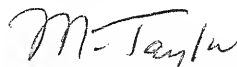

Before we can recognize you as being exempt from Federal income tax, we must have enough information to show that you have met all legal requirements. You did not include the information to make that determination on your Form 1024, Application for Recognition of Exemption Under Section 501(a) or for Determination Under Section 120.

To help us determine whether you are exempt from Federal income tax, please send us the requested information by the above date. We can then complete our review of your application.

If we do not hear from you within that time, we will assume you do not want us to consider the matter further and will close your case. As a result, the Internal Revenue Service will treat you as a taxable entity. If we receive the information after the response due date, we may ask you to send us a new Form 1024.

If you have any questions, please contact the person whose name and telephone number are shown in the heading of this letter.

Note: Your response to this letter must be submitted over the signature of an authorized person or of an officer whose name is listed on the application. Also, the information you submit should be accompanied by the following declaration which must be signed by an officer of the organization:

Under penalties of perjury, I declare that I have examined this information, including accompanying documents, and, to the best of my knowledge and belief, the information contains all the relevant facts relating to the request for the information, and such facts are true, correct, and complete.

PLEASE ATTACH A COPY OF THIS LETTER TO ALL CORRESPONDENCE.

Additional Information Requested:

You indicate in the application that your activities consist of 70% educating the public on policy issues and decisions that affect the American public. The organization also plans to influence legislation 30% of the time through grassroots advocacy promoting state and local legislative and executive branch initiatives in support of its mission at the state and federal level.

These activities are to start in August, 2007 and beyond. You also indicate that consultants will be engaged to assist with your activities.

We wish to call your attention to section 4.03 of Revenue Procedure 2008-9, Internal Revenue Bulletin 2008-2, page 262, which reads in part, as follows:

"Exempt status will be recognized in advance of operations if proposed operations can be described in sufficient detail to permit a conclusion that the organization will clearly meet the particular requirements of the section under which exemption is claimed.

(1) A mere restatement of purposes or a statement that proposed activities will be in furtherance of such purposes will not satisfy this requirement.

(2) The organization must fully describe the activities in which it expects to engage, including the standards, criteria, procedures, or other means adopted or planned for carrying out the activities, the anticipated sources of receipts, and the nature of contemplated expenditures.

(3) Where the organization cannot demonstrate to the satisfaction of the Service that it qualifies for exemption pursuant to the section of the Internal Revenue Code under which exemption is claimed, the Service will generally issue a proposed adverse determination letter or ruling."

The information submitted with your application does not contain sufficient information in detail to fully describe your purposed activities. Therefore, submit a detailed description of all of the activities of the organization - past, present, and planned showing how you operate or will operate to achieve your purposes. Each activity should be separately described, and the description should include as a minimum, the following:

Name: American Future Fund

- a) Its purpose and nature.
- b) Frequency and duration.
- c) How, when, where and by whom it was, is, or will be conducted.
- d) The requirements a person or organization must meet in order to participate in or receive benefit from the activity.
- e) The amounts of any charges or fees and the basis for the amount.
- f) What the activity has accomplished or will accomplish.
- g) State what percentage of the total time and effort of the organization is devoted to carrying out each activity.

2. You indicate in the application that there is 1 officer. Please explain why. How will this person undertake the roles of President, Secretary and Treasurer and carrying out all of the activities of the organization? There is not sufficient representation of unrelated persons from the community on your board. A board of directors that includes representatives from the community, instead of a board consisting solely of one person is an indication that the organization will serve public rather than private interests. A one-person board is "prima-facie" evidence that the organization is organized and operated for private interests. Your bylaws also indicate that a "quorum" must be present in order to conduct business. You cannot have a "quorum" with only 1 person.

It is STRONGLY recommended that you expand your board to include non-family members? If you agree to do this, provide the names, titles, addresses, and any compensation amounts of the newly elected board. Also submit a copy of the minutes of the meeting wherein this action was taken.

3. You indicate in the financial data, "gross dues and assessments of members". What are the qualifications for your members? How much are their dues and/or assessments? Explain fully. How does the organization obtain its membership? You also state that the "corporation has no members." Explain this discrepancy. Submit copies of any solicitations for support.

4. You indicate on page 3 of the application that Nicole Schlenger is affiliated with a fundraising and telemarketing firm that may be contracted to provide services to the organization at market rates. Explain fully and include all terms and contracts, proposed or executed. Also explain why services are to be provided at "market" rates. Why not provide services "at" or "below cost"? Providing services at market rates may be prima-facie evidence that private interests are served.

5. Submit representative copies of any brochures, pamphlets, newsletters, newspaper articles, advertisements, or any other literature regarding your organization.

6. Submit any other contracts, leases, or other written agreements you have entered or plan to enter on behalf of the organization.

RE: American Future Fund
EIN 26-0620554

BY FAX AND FED EX

Dear Mrs. Taylor:

The American Future Fund ("AFF") is pleased to provide the following responses to your letter of July 14, 2008. We hope that the answers provided herein will help answer your questions about the organization.

- 1. The information submitted with your application does not contain sufficient information in detail to fully describe your proposed activities. Therefore, submit a detailed description of all of the activities of the organization- past, present, and planned showing how you operate or will operate to achieve your purpose. Each activity should be separately described, and the description should include as a minimum, the following:**
 - a. Its purpose and nature.**
 - b. Frequency and duration.**
 - c. How, when, where and by whom it was, is, or will be conducted.**
 - d. The requirements a person or organization must meet in order to participate in or receive benefit from the activity.**
 - e. The amounts of any charges or fees and the basis for the amount.**
 - f. What the activity has accomplished or will accomplish.**
 - g. State what percentage of the total time and effort of the organization is devoted to carrying out each activity.**

The American Future Fund's activities generally fall into two categories. The first includes activities to educate the public about policy issues and decisions that affect the American public. The second is activity to influence legislation. Although many of the organization's activities may have elements of both educating the public and influencing legislation, we have described the organization's activities in detail and have provided numerous examples of its activity to date.

Activity to Educate the Public

- a. Efforts to educate the public have, and will take many different forms, depending on the issues involved, the timing, and the significance of the issue. To date, activities to educate the public have included radio and television advertising, newspaper advertising, internet activity (including a blog and emails to the public including both to those who have signed up to receive emails and to email lists the organization has purchased), research and polling, and press releases and public statements. In the future, AFF anticipates that it will write and place opinion editorial pieces and letters to the editor in newspapers in addition to the methods described above. The purpose of such activities is to further the common good and general welfare of the citizens of the United States by informing the American public about important issues that affect their lives. We have included samples of these materials.
- b. Activities to Educate the Public continue on an on-going basis. The organization is continually updating the information on its website and will stay abreast of important policy issues and will take appropriate action to inform and educate the public when appropriate.
- c. Educational activities are conducted by the Board of Directors, consultants, and volunteers. A consultant has been engaged who serves as the organization's spokesperson. He is the primary blogger on the website and point of contact for national and local news media.

Many of the organization's directors, consultants and volunteers are based in Iowa, so the activities will be conducted there; however, activities are directed across the United States. Other consultants are located in Washington, DC and Boston, Massachusetts. Thus far, the organization has engaged in activity to educate the public about important policy issues in Connecticut, Colorado, Minnesota, Nevada, and Washington, DC.

The organization is building a list of supporters across the country and contacts them via the internet on various public policy issues, and regularly updates its website and blog with information consistent with the organization's principles. As of August 1, 2008, the organization had approximately 20,000 subscribers to its email list. We have included examples of these emails.

- d. Individuals or organizations that support the mission and positions of the American Future Fund are welcome to assist in any AFF activities. AFF's activities to educate the general public do not benefit any group of individuals or organizations.
- e. No charges or fees are assessed with respect to educational activities.
- f. Educational activities are designed to inform the American public about important policy issues and decisions. We believe that our organization has succeeded in informing the public about these issues and we hope that future efforts to educate the public will have the same impact.
- g. Approximately 70% of AFF's activity is devoted to educating the public.

Activity to Influence Legislation

- a. American Future Fund intends to shape public policy through its activities to influence legislation. AFF will engage in grassroots advocacy, which may take many forms, such as radio and television advertising, newspaper advertising, and public statements from the organization.
- b. AFF's activities to influence legislation began in January 2008, and will continue on a regular basis while the organization is in existence.
- c. Activities to influence legislation are conducted by the Board of Directors, consultants, and volunteers.

Many of the organization's directors, consultants and volunteers are based in Iowa, so the planning of activities and development of advocacy materials will be primarily conducted there. Other consultants are located in Washington, DC and Boston, Massachusetts. Advocacy materials have been published in Connecticut, Colorado, Nevada, Washington, DC and Minnesota.

- d. Individuals or organizations that support the mission and positions of the American Future Fund are welcome to participate in AFF activities to influence legislation. AFF's activities to influence legislation do not benefit any group of individuals or organizations.
- e. No charges or fees are assessed with respect to activities to influence legislation.
- f. AFF intends that activities to influence legislation will encourage the adoption of free-market policies that benefit the American public.
- g. Approximately 30% of AFF's activity is devoted to influencing legislation.

2. You indicate in the application that there is 1 officer. Please explain why. How will this person undertake the roles of President, Secretary and Treasurer and carrying out all of the activities of the organization? There is not sufficient representation of unrelated persons from the community on your board. A board of directors that includes representatives from the community, instead of a board consisting solely of one person is an indication that the organization will serve public rather than private interests. A one-person board is “prima-facie” evidence that the organization is organized and operated for private interests. Your bylaws also indicate that a “quorum” must be present in order to conduct business. You cannot have a “quorum” with only one person.

It is STRONGLY recommended that you expand your board to include non-family members? If you agree to do this, provide the names, titles, addresses and any compensation amounts of the newly elected board. Also submit copies of the minutes of the meeting wherein this action was taken.

AFF was organized in August, 2007. During the initial months of the organization’s existence, it did not engage in any significant amount of activity, it did not raise any money, and it did not have any other Directors or Officers, during this time, Ms. Schlinger began soliciting input and ideas for the organization from outside individuals and planning for future activity. Once the organization’s activities began in earnest, Ms. Schlinger retained consultants to assist with the organization’s activities, and began fundraising for the organization. Although the additional board members were not formally elected until August 15, 2008, significant consultation and input from the community began as early as August, 2007.

The minutes of the meeting where the additional board members were elected are attached, and the requested information follows.

- Barbara Smeltzer, Director & Secretary, 1440 N Algona St., Dubuque, IA 52001, No compensation
- Sandra Greiner, Director & Treasurer, 1005 Hwy. 92, Keota, IA 52248, No compensation

In addition, the Board decided that a “Youth Representative” on the Board would be a valuable asset to the organization by representing an important demographic segment AFF is trying to reach with its efforts and would add knowledge to the board on new media matters. The Board is currently searching for such an individual. If a Youth Representative is added to the Board, we will provide their name, address, and compensation amounts to the IRS.

3. You indicate in the financial data “gross dues and assessments of members.” What are the qualifications for your members? How much are their dues and/or assessments? Explain fully. How does the organization obtain its membership?

You also state that the “corporation has no members.” Explain this discrepancy. Submit copies of any solicitations for support.

The revenue data was included on line 1 in error. It is expected that revenue will come from contributions, gifts and other donations, not membership dues or assessments. Accordingly, such information should have been provided on line 2, not line 1. We have revised Part III to reflect this change and have attached it to this response.

In addition, we have included sample email solicitations and a power point grant proposal.

4. You indicate on page 3 of the application that Nicole Schlinger is affiliated with a fundraising and telemarketing firm that may be contracted to provide services to the organization at market rates. Explain fully and include all terms and contracts, proposed or executed. Also explain why services are to be provided at “market” rates. Why not provide services “at” or “below cost”? Providing services at market rates may be prima-facie evidence that private interests are served.

Nicole Schlinger does not have a contract with AFF, either proposed or executed. Nicole has been compensated a total of \$12,000 since the organization began (\$4,000 per month for services rendered in March, April, and May), for services she provided including initial planning, organizing and fundraising. She has not done any work for AFF for which she will be compensated since May.

Nicole has explained that she invoiced AFF at a rate below her regular rate for her consulting business for the services she performed, and the remainder of her services provided to AFF before March and since May have been on a volunteer basis.

If, in the future, Nicole Schlinger’s firm is engaged by AFF, the terms of any agreement, contract, or payment would be approved by the remaining disinterested directors.

5. Submit representative copies of any brochures, pamphlets, newsletters, newspaper articles, advertisements, or any other literature regarding your organization.

We have included copies of advertisements that our organization has prepared and distributed in furtherance of its mission to educate the public about policy issues that affect the general public and to influence legislation. The attached print media piece relates to a public educational and issue advocacy campaign related to consideration of the Foreign Intelligence Surveillance Act by the US Congress that AFF ran in April. The attached CD contains a sample of radio, and television ads relating to the current debate about energy policy and prices, the mortgage crisis, and advertisements promoting other free-market and common-sense policies. Finally, a copy of a script used for phone calls to consumers related to the mortgage crisis is attached.

The organization does not have any brochures, pamphlets, newsletters, or newspaper articles regarding the organization other than the website located at www.americanfuturefund.com.

6. Submit any other contracts, leases, or other written agreements you have entered or plan to enter on behalf of the organization.

AFF has written fundraising contracts with Legacy Consulting and with Frontline Strategies. A copy of the Frontline contract is attached. The Legacy Consulting contract will be submitted to the IRS upon execution.

AFF has engaged other pollsters, consultants, media producers and buyers, and legal counsel that invoice the organization at market rates as services are rendered.

Neither Nicole Schlinger, nor any of the other directors, have a business or family relationship with any of the consultants to the organization.

All attachments will follow by overnight FedEx delivery. Please let us know if you require any more information about AFF to complete your review of its application. We can be reached at (540) 341-8808.

Sincerely,

A handwritten signature in dark ink, appearing to read 'K. Blackistone', with a stylized flourish at the end.

Karen Blackistone
